Monday, May 7th, 2007
10:00 am – 12:00 pm
Kern County Water Agency
3200 Rio Mirada Drive
Bakersfield, CA 93308

AGENDA

- Introductions; Meeting Overview
- Participating Agencies and Organizations
- GAMA Program Overview – State Water Board
- Basin Assessment Overview – US Geological Survey
- Wrap-up and Adjourn

Background: The Kern study unit is located within the boundaries of Kern County, in the Kern County subbasin. The GAMA Program was created as a result of groundwater quality concerns. The main objectives of the GAMA Program are to improve statewide ambient groundwater quality monitoring and assessment and to increase the availability of information about groundwater quality to the public. Stewardship of the state's groundwater resources is the shared responsibility of all levels of the government and community. Participation in the GAMA Program is voluntary.
